

ICECAPITAL, established in 1999, is an independent, fully employee-owned Group operating in the Nordic countries within investment banking and real estate private equity. The Group has offices in Helsinki and Stockholm and currently employs around 30 professionals.

In investment banking, we offer our clients financial advisory services on corporate acquisitions and divestments, mergers and reorganizations, financing arrangements, capital market transactions and shareholder value enhancement. ICECAPITAL is one of the leading financial advisors in the Nordic countries, particularly within the energy, infrastructure and TMT sectors. Since its establishment, ICECAPITAL has carried out more than 500 advisory assignments and completed transactions with a cumulative value of over 20 EUR billion. Our clientele includes both local and international investment funds and corporations such as Allianz, KKR, First Sentier Investors, Ontario Teachers' Pension Plan, Vaaka Partners, Gasum, Kesko, Loiste and Telia.

We are now looking for an enthusiastic full-time

INVESTMENT BANKING ANALYST

to join our M&A/corporate finance team in Helsinki.

RESPONSIBILITIES

- Developing complex financial models for analysis and valuation of companies
- Preparation of high-quality presentations and other materials for clients and investors
- Analyzing detailed company and market related information
- Taking responsibility of defined work streams in all stages of transactions from pitching to execution

WHAT WE CAN OFFER

- Work in a dynamic and collaborative team of corporate finance professionals
- Cutting edge position with great exposure to Tier 1 clients and projects in the Nordic M&A space
- Possibility to work in challenging live projects from day one, advising international and local financial investors, industrial companies and public entities
- Steep learning curve and a great career path in a growing, rewarding and motivational environment
- High responsibility and active participation in interaction with clients
- Flexible working environment
- Competitive compensation

THE QUALIFICATIONS YOU NEED

- Strong academic background with a relevant master's degree (or close to graduation) in Economics (majoring in e.g. finance or accounting) or Engineering
- Analytical, hardworking and goal-oriented mindset
- Understanding of accounting and corporate finance
- Solid skills in Excel and PowerPoint. Financial modelling skills considered beneficial
- Multi-tasking and ability to work both independently and as a part of a team
- Fluency in Finnish and English as well as excellent verbal and written communication skills
- Working experience in investment banking, corporate banking, financial markets or management consulting considered a plus, but not a prerequisite
- Genuine interest in the energy and infrastructure sectors as well as prior experience from the sectors is regarded as a plus

For additional information, please contact Samuli Kivipelto, mob. +358 50 439 0055.

Please apply by submitting your CV with an academic transcript and a cover letter by 12.12.2021 to careers@icecapital.fi. We may start interviewing candidates already prior to the deadline and the positions will be filled once suitable candidates are found.
