

Corporate Finance Internship 2021

Requirements

- Team player with strong business acumen and passion for corporate finance
- Three years of university studies in Finance, Economics, Industrial Engineering or other relevant field with an outstanding academic track record
- Superior interpersonal and content creation skills in English and Finnish
- Previous work experience in investment banking, management consulting or business development is considered an advantage

Position

- Develop core investment banking skills such as financial modelling, valuation, market research, value chain analysis and preparation of presentation materials
- Interact with key decision makers of industry-leading companies especially in the fields of IT, technology and highly scalable growth sectors
- Take on responsibility in project execution
- Work closely with an entrepreneurially-minded, dynamic and down-to-earth team

The position requires full-time employment in Spring or Autumn 2021. Due to our strong growth, full-time opportunities are also under consideration for 2021 and 2022 graduates.

To apply, please send your application, CV and grade transcript to rekry@translinkcf.fi by **25 September 2020**. For more information, feel free to contact Associate Juuso Marttinen (+358 50 561 4027) or Partner Sami Miettinen (+358 400 735 835). We will start arranging interviews as soon as suitable candidates arise. Final selection will be based on a very limited participant case challenge.

Translink Corporate Finance

Translink Corporate Finance is one of the most active global corporate finance firms in mid-market M&A with offices in 30 countries. Translink advised clients in 67 M&A deals during 2018-2019 in the Nordics. In Finland, Translink is particularly strong in technology and technology-enabled services companies and has capabilities for complex cross-border transactions. We have trusted contacts within industrial companies, private equity funds and family offices.
