Private Equity internship – Spring 2023

Axcel is looking for interns to join our Stockholm team. The internship is a six-month full-time role commencing January 2023.

Axcel is a Nordic private equity firm with offices in Stockholm and Copenhagen. Since our foundation in 1994, we have made 68 platform investments and today we own 19 companies across all four Nordic countries.

Axcel invests in high quality companies with a strong market position, compelling product and / or service offering and robust underlying growth potential. We have a focused investment strategy which targets four industry verticals: business services / industrials, healthcare, IT & technology and consumer goods.

Since our inception, Axcel has raised six funds with total committed capital of over EUR 2.6bn. In August 2021 Axcel closed its sixth fund (Axcel VI) at EUR 807m, which we are currently in the process of investing.

What you will do as an intern at Axcel:

- Identify new investment opportunities
- Prepare valuation materials
- Conduct industry and company analyses
- Partake in due diligence processes
- Be involved in negotiations during acquisition and divestment processes
- Work with development of Axcel's existing portfolio companies

To be successful in the role we believe that you have:

- A strong academic track-record
- A strong commercial, strategic and financial understanding
- Excellent analytical & problem-solving capabilities
- Solid proficiency in MS PowerPoint and Excel
- A positive attitude and drive to learn and develop
- Previous work experience from investment banking, consulting or another investment firm is an advantage, but not a requirement
- Fluency in English and a Nordic language

If this opportunity sounds interesting, please submit your application by sending us your CV and academic transcripts to rekrytsstockholm@axcel.se by October 31, 2022.
