## Stockholm-based internship at private equity firm Alder, focusing on the development of environmentally sustainable companies with high growth potential

*Full-time during autumn 2021*

### About Alder

Alder is a Stockholm-based private equity firm with the goal of creating opportunities for environmentally sustainable companies to accelerate growth. Sustainability is a core part of Alder's investment thesis and values, and we invest in companies that create both economic profit and environmental benefit. Alder invests in small- and mid-cap Nordic companies that run established businesses with high growth potential.

Alder has €250m in assets under management, has made thirteen platform investments and twenty add-on investments to date, in industries such as smart energy metering, water treatment and intelligent transportation.

At Alder we value diversity and believe that different backgrounds contribute to making our team stronger. Our team works closely together and formal decisions are made openly. We mix industrial and financial expertise and believe in entrepreneurship as a driving force.

### The Role

Alder is a flat organisation consisting of a small and tight-knit team. As a part of the team, you will gain experience from all stages of the private equity investment process and be given significant responsibility. Your responsibilities will include:

- Searching for new investment opportunities
- Strategic and financial analysis of markets and companies as well as participation in investment processes

- Supporting the Alder team and portfolio company management in value creation initiatives

We are looking for an ambitious individual, fluent in Swedish and English, to join our team in Stockholm for a full-time internship during autumn 2021.

You are likely pursuing a degree in a relevant MSc program, e.g. Finance, Accounting or Engineering. Relevant work experience is a strong plus. You are an analytical individual with a strong interest in finance and business development. You are open-minded and look forward to working in an environment characterised by Alder's values: Development, Collaboration, Persistence and Sustainability in all aspects.

The internship commences in August 2021 and lasts up to six months, depending on personal preferences.

### How to Apply

Please send your application including a curriculum vitae, cover letter and grade transcript to [lena.wahlberg@alder.se](mailto:lena.wahlberg@alder.se), **on the 28th of February 2021 at the latest**. We encourage you to send your application as soon as possible as we will start interviewing candidates prior to the deadline. For more information, please contact Lena Wahlberg by email or by phone (+46 73 330 00 12).
