

Internship 2021

Welcome to your McKinsey career

McKinsey Helsinki is looking for interns. Students joining us as interns will spend 2-3 months working on exciting projects with collaborative teams engaging with interesting clients. Join us and get the full McKinsey consulting experience!

Our internship program is intended for students from every university and every major degree. The minimum requirement is 80 academic credits, with the aim of completing a Master's degree.

Interested? Learn more about our internships by signing up to our virtual internship event series [here!](#)

To apply for our internship go to www.mckinsey.fi and select Careers/How to Apply. Send your application by October 4, 2020.
